Comments:

- Les briefings devraient aussi être organisés par les acteurs locaux dans les pays ou le CTA œuvre
- Beaucoup de discussions et présentations sur les faits, mais peu pas de tout de propositions sur les solutions
- Would have appreciated greater emphasis on how to relate the topic to food security
- Very interesting topic and grassroots examples
- Addressed the issue affecting rural youth
- Thanks!

- It s been very interesting
- Good presentations and good timing
- Very good presentations which complemented the others
- Presentations were too much about promoting the own organisations instead of debating the problems that young face in ACP countries
- Faute des jeunes qui présentent eux -mêmes leurs idées

Well: (10) 23.25% Adequate: (27) 62.79 % Insufficiently: (6) 13.8%

Comments:

- Need to go deeper at the grassroots
- Too many speakers talked in behalf of youth
- It would be interesting the next time to bring people with different opinions
- Link to trade/EPA impacts
- Women are important actors in rural areas. On the panel were not so many women and panellists quite aged

- Provide more information on how to access the different technical assistance and capacity building activities
- Summaries to be published in Spore
- A briefing on rural women
- Capacity building of rural youth
- Organisation of regional meetings in collaboration with different Ministries, farmers associations with emphasis on young farmers
- Raise donor awareness for youth involvement in agriculture
- Une conférence des jeunes UE/ACP
